

## WWE SMACKDOWN RESULTS NOVEMBER 21, 2025

Location: Charlotte, NC

Commentary: Pat McAfee & GM Vince McMahon

COLD OPEN

### BACKSTAGE – WRESTLING INTERNATIONAL NETWORK OFFICE

Camera opens on Mr. Murrey, owner of the Wrestling International Network, seated across from Carlos Silva, CCO of TNA.

Murrey speaks with a thoughtful smile:

“Wrestling is rich with all kinds of history. From moments of glory—like Jesse Ventura winning his very first World Title—to moments of regret... like when Benny Mouse had an affair with a transsexual named Lilo. To moments of triumph—like Slammu’s Hall of Fame induction—all the way to moments of injustice... like when Mickey Mouse murdered his own father. Such a rich history.”

“I myself have been happy to play a huge part in the history of wrestling. Everyone thought from 2015 to 2019 that wrestling was extinct but after many calls and many highly influential executives begging me to become the Chairman of the World of Wrestling, I may have single handedly saved professional wrestling. I say this with extreme humility. If I would have stayed at the helm, we would’ve had a Starrcade in 2022. That is the only mistake that I have made in my professional career. The only one.”

(Pete the ref is seen walking in the background with his head down)

Carlos Silva nods respectfully as the two continue their discussion about the growing partnership in the wrestling world.

“I see a bright future for you Mr. Silva.”

Cut to SmackDown opening pyro.

## OPENING MATCH

Seth Rollins vs. Carmelo Hayes

This was a fast paced match up that saw Carmello paying homage to The Rock by taking on the daunting task of toppling Seth Rollins. Carmello stunned the crowd when he hit his own version of the rock bottom on Seth but Seth was able to kick out and mount an impressive comeback for the win.

RESULT: Seth Rollins wins via pinfall (Curb Stomp).

After the match, Seth Rollins unveils his own banner from the beams in the arena. With a dramatic descent.

THE BANNER READS:

“THE ROCK – TITLE REIGN ENDS AT SURVIVOR SERIES.”

The crowd erupts with boos as Seth points to the banner, laughing maniacally.

## SEGMENT 1

### BACKSTAGE

The Rock turns a corner backstage and nearly collides with the Survivor Series Special Guest Referee Jesse Ventura.

A tense silence fills the hallway.

The Rock:

“Jesse... I gotta know. At Survivor Series—can I trust you to call it right down the middle?”

Jesse Ventura doesn't answer. He simply smirks, steps forward, and shoulder-checks The Rock, walking past him without a word.

The Rock stares after him, jaw clenched.

## MID CARD MATCH

### ULW TITLE TOURNAMENT – ROUND 1

Sabu vs. Carlito

Neither man really cared to be in this tournament match but they did give us a good show. Sabu is still every bit as dangerous as he used to be.

RESULT: Sabu wins via Arabian Facebuster.

As soon as the bell rings, confetti rains from the rafters.

Suddenly—

“COMING TO AMERICA” by James Brown hits.

A massive parade float rolls out onto the stage.

Standing atop it, dressed in full Uncle Sam attire (Apollo Creed–style), is THE HURRICANE.

He points wildly at Sabu, shouting:

“STAND BACK! A TOURNAMENT WINNER IS COMING THROUGH!”

The crowd roars as The Hurricane hypes Sabu and the fans, fireworks firing off the back of the float.

SEGMENT 2

BACKSTAGE

Dirty Dom approaches JD McDonagh, leaning against a crate.

Dominik:

“JD... just wanted to let you know man—at Survivor Series, I’m stepping in as your partner. Balor says he doesn’t see himself as a tag team performer anymore.”

JD nods slowly, taking the news in.

JD:

“Then we handle this together.”

Dom pats him on the shoulder as the camera fades out.

MAIN EVENT

John Cena vs. Joe Gacy (w/ The Hollow)

Cena performed like superman himself in this match but constant outside interference kept him from winning. Members took turns distracting the referee while another member would decimate Cena with chair shots.

Late in the match, Dexter Lumis silently appears from beneath the ring, yanking Cena's legs. Rowan and Braun Strowman storm the apron, causing chaos.

Gacy hits the Upside-Down Lariat and scores the pin.

RESULT: Joe Gacy wins via interference.

After the bell, The Hollow swarm Cena—

—but Sheamus' music hits!  
Followed by Chad Gable!

The two charge down, clearing the ring and standing guard over Cena as The Hollow retreats up the ramp.

McAfee:

"THE HOLLOW TRIED TO FINISH CENA OFF!"

Vince:

"BUT THE CAVALRY HAS ARRIVED, DAMMIT!"

The three stand tall as the camera fades to black.
